Overseas Business EXPO 2022 in Osaka

The Osaka Business Partner City Council exhibited at the Overseas Business EXPO 2022 in Osaka. During the event, we provided consultations to visitors regarding overseas business development for SMEs and introduced our services, events, and network (support agencies and exports) in Japan and overseas. In addition, we also provided a seminar on new market development and other vital points to minimize failures when doing business overseas together with an expert in the field.
