

## BPC Training Program Fiscal Year 2018

We invited delegates from Business Partner Cities of Osaka, who are working for associated organizations of BPC alliance and extended training program for them.

This year, 1 participant from Mumbai, Tianjin, Ho Chi Minh, and each 2 participants from Kuala Lumpur and Melbourne, in total 7 persons participated in the 10 days training programs.

The 7 trainees visited Osaka City Government office and other economic/public organizations and related facilities in Osaka during the program. They also visited SMEs in Osaka City which are eager to expand their business in overseas countries especially in Asia-Pacific regions including Business Partner Cities of Osaka.
