

BPC Training Program Fiscal Year 2022

After four years, we were happy to welcome delegates from associated organizations of the Osaka Business Partner City network back to Osaka for the BPC Training Program. This year, we welcomed participants from Bangkok, Kuala Lumpur, Ho Chi Minh City and Melbourne.

During the program the 9 trainees visited Osaka-based companies, economic organizations, and Osaka City Government-related facilities to deepen their understanding of Osaka City's economy and international exchange policies.
